

Camp Ida-Haven April Newsletter

Camp is approaching quickly! Here is more information for you.

CAMP STORE MONEY

We are going to use the Ultra Camp store program again this year. Everything will be computerized for convenience. When you go to your account, please choose "Additional Options" at the top and then choose "Camp Store". In this way you can add the desired funds before registration to streamline the registration process. You will also be able to see how much your child is spending each day and add funds if you wish during the camp session which we feel was a difficult thing for us to do before. We are hoping this is a great addition to the program.

RAFTING DAYS ARE OPEN NOW!

Since it worked so well last year to not have the rafting day option in the registration rush, we are going to be implementing a later registration for rafting from now on. This will happen in April each year. We have now opened up the days for you to go into your account and choose a day under the option section of your camper's registration. To start, click on my account and then click on the binoculars after your child's reservation. Click the edit button after the word "options" and proceed. If you have any trouble getting friends together, please contact us by phone, (208) 634-5922, or email through your account or at idahaven@idconf.org.

CHECK YOUR RESERVATION

The beauty of the online reservation is that you can always visit your account and check on your activities and reservation. Additionally, you may change activities, provided that the one you want is not already full (only available activities are shown). **Please be sure you are content with your reservation.**

LODGING CHANGES

We are working to make lodging changes for those who have made requests to bunk together. If we are not able to make this change now, we can usually resolve it on the Sunday of camp with the head counselor. Please wait patiently for this opportunity.

MEDICAL AND RELEASE FORMS

Your child's medical forms must be up-to-date. You can check them anytime, but they must be current or your child will not be able to come to camp. **This is very important.** You can access these forms anytime from "Document Center" in your account. Please list (update) meds that your child will be taking at the time of camp.

CANCELLATION POLICY

Our goal is to get as many kids to camp as possible. If you cancel close to camp time this does not allow others an opportunity to attend. Those who cancel the week before they are scheduled to attend will be asked to pay an additional non-refundable late cancellation fee of \$100.

CANCELLATION POLICY FOR TEEN CAMP ONLY

All teen camp accounts must be paid in full by June 15, 2016. Since Teen camp has so many on the waiting list and teenage campers have many summer opportunities available to them, we require payment in full by this date. After June 15, all of the fees are non-refundable. Those who are receiving scholarship aid will need to pay their portion in-full by that time as well.

SCHOLARSHIPS

If you are in need of financial assistance, please contact us no later than **April 30** to make your request. If your child is being sponsored by your church, please make sure that information (names, church, sponsored amount) has been communicated to us by your church leader **BEFORE** you arrive at camp. This helps us avoid any confusion at registration check-in.

As always, give us a call or send an email if you have questions about anything. We're looking forward to seeing you this summer.
